

# It's best to know

Do you have Flu or **COVID Symptoms**, think you are a **Close Contact** and feel you need testing?

For continuity of care, you should see your General Practitioner to obtain a Pathology Referral. You can then visit any one of our convenient COVID-19 Collection Centres for a Flu and COVID-19 test.

**Results by SMS usually within 24 hours of your sample arriving in the laboratory.**

*There is no charge for qualifying Medicare card holders.  
If you do not qualify, or are not covered by Medicare, there is a \$120 charge.*

For a list of COVID-19 collection sites, please scan the QR code with your device or visit our website.
