

Genetic Testing

Pre-pay Instructions

Your doctor has requested you undergo one of the following tests:

- BRCA1 and BRCA2 Genes
- BraOVO Gene Panel
- Predictive Familial Cancer Test
- Lynch gene panel
- FAP gene panel
- Colorectal cancer predictive test
- PGx MH
- PGx Pain
- PGx Multi

If you do not fit the MBS criteria an out-of-pocket fee applies which must be pre-paid before testing can occur.

How To Pre-Pay for Your Testing:

Visit genomicdiagnostics.com.au to pre-pay for your test.

You will be allocated a receipt number, please make a note of this somewhere in the bottom 'Patient' section of your request form or if you have a Cancer Genetics Request Form in the Payment Information section.

Once your payment has been taken you can visit any QML Pathology Collection Centre with your request form for specimen collection. No appointment is necessary.

Results will be ready approximately four weeks from sample collection, or approximately two weeks for PGx tests.

For enquiries please call Customer Care on **1800 822 999**.
