

Empowering local health with **local expertise.**

Your new Geelong laboratory

 **dorevitch**
pathology

Bringing our 50 years' experience to the Geelong and Surf Coast doctors and communities.

We are excited to announce that in mid-2023 Dorevitch Pathology will be opening a new central laboratory and collection centre to service the Geelong and Surf Coast regions.

This new centre is conveniently located under the Westfield overpass at **23 Yarra St, Geelong.**

Collection centre hours of operations:

Monday to Friday: 07:00am – 5:00pm

Saturday: 8:00am – 12:00pm

dorevitch.com.au

Expert testing, right in your backyard.

Focusing on providing rapid results for community and outpatients, our new laboratory with state-of-the-art equipment will have a team of local expert collectors, scientists, and pathologists available to meet the needs of the region's clinicians, patients, and healthcare providers.

Our services

Laboratory services including core laboratory, biochemistry, haematology, coagulation, transfusion, semen analysis and anatomical pathology reporting.

Collection services with a network of approved collection centres and home visit services.

Support services including pathologist consultations, Warfarin management, Telehealth and Consumables.

Additional services include CPD & education offerings, access to online results, eReferrals and consumables ordering.

Partnering with Dorevitch Pathology

Whether you are setting up a new medical practice or an established medical centre, Dorevitch Pathology can help you make your life easier. With our long history of industry leadership, you can be secure in the knowledge that you will have one of the world's most comprehensive pathology practices and recognised specialists as your partner in practice.

Interested in setting up a new accredited collection centre or changing pathology providers? Visit our website or contact us at geelong.lab@dorevitch.com.au.

Healius Pathology has a national network of **over 100 laboratories** and **2,000 collection centres**.

Dorevitch Pathology

At Dorevitch Pathology, we're committed to supporting practitioners by delivering timely, accurate, and high quality diagnostic results. We know that patients all across Victoria rely on us to collect, analyse, and report results – and it's a responsibility we take very seriously.

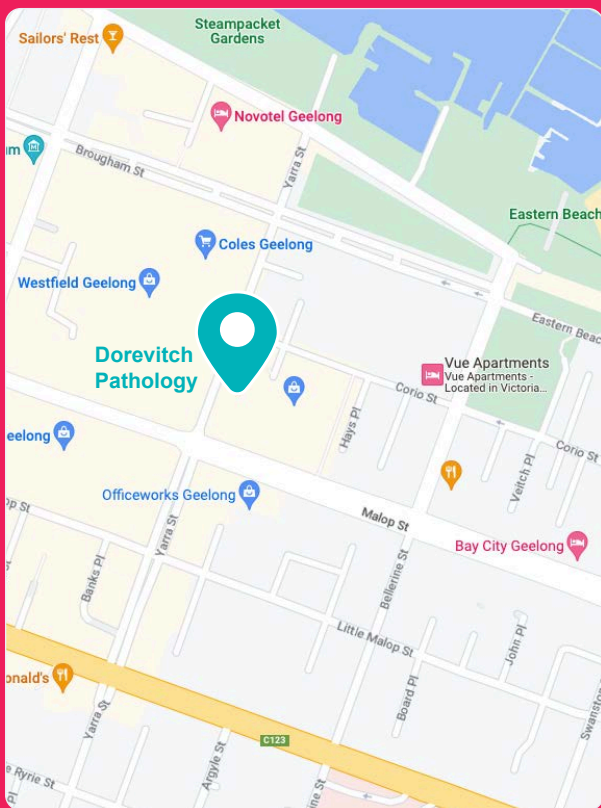

Our vast spectrum of pathology testing services and collection centres are maintained by a dedicated team of highly qualified, professional individuals delivering an extensive, reliable and quality service.

Working with us

Our mission is to deliver high quality, timely and accessible diagnostic services to our communities. Our people are central to helping us achieve this and we are always looking for talented people to join our team.
